

Printable Christmas Gift Tags

"The best of all gifts around any Christmas tree: the presence of a happy family all wrapped up in each other."
- B. Hillis

Christmas is a time when many give a thoughtful gift to family members and friends. Children can help to make any gift a little more special with these personalized Christmas Tags!

Instructions:

- ▲ Print as many copies as desired. We recommend printing on [sticker paper/full sheet label paper](#), to allow for easy adherence to your packages.
- ▲ If using the black and white labels, you may wish to have your child color with colored pencils or markers for even more personalization.
- ▲ Cut each label on outer line and affix to present.

We hope you have a blessed holiday!

Merry Christmas,

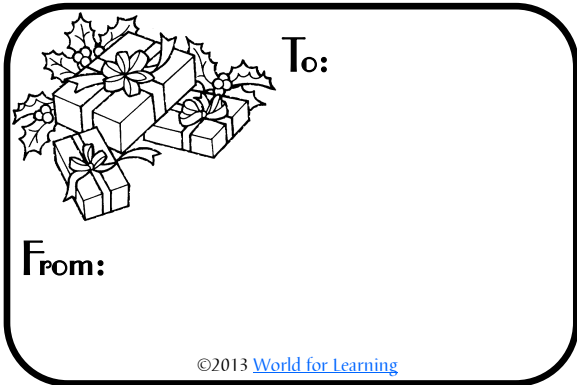

Susan & Kat
