

# Edible Candy Cane Play Dough Recipe

- 4 Cups of Miniature Marshmallows
- 2 Tablespoons of Liquid
- Microwavable Bowl
- Plastic Mixing Spoon
- Food Coloring
- Peppermint Extract
- 1 Box (4 Cups) Powdered Sugar

Add 4 Cups of miniature marshmallows and 2 tablespoons of liquid in the bowl. We used 1 Tablespoon of water, and half each of liquid food coloring and peppermint extract. Microwave for 30 seconds at a time, stirring in between. Continue until fully melted. Remove from microwave. Add more food coloring if desired.

Stir in 1 Box of Powdered Sugar until combined. Dump onto surface lightly dusted with powdered sugar and knead until all powdered sugar is blended in and the playdough is smooth.

Play!
